Dear Supervisors:

FINDING AND ORDERS OF THE BUILDING REHABILITATION APPEALS BOARD IN THE UNINCORPORATED AREA OF LA PUENTE (SUPERVISORIAL DISTRICT 4) (3 VOTES)

SUBJECT

This action will adopt the finding and orders of the Building Rehabilitation Appeals Board pursuant to Title 26 of the Los Angeles County Code, Building Code, which provides for the arrest and abatement of neighborhood deterioration and the elimination of unsightly, unsafe, and unhealthful conditions, which constitute a public nuisance.

IT IS RECOMMENDED THAT YOUR BOARD:

Adopt the finding and orders of the Building Rehabilitation Appeals Board that provide for abatement of public nuisances at the following location:

1831 Bolanos Avenue, La Puente, California 91748

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION

The purpose of the recommended action is to provide for abatement of public nuisances through rehabilitation procedures. Title 26 of the Los Angeles County Code, Building Code, provides for a Building Rehabilitation Appeals Board to hear appeals on matters concerning public nuisances.

Implementation of Strategic Plan Goals

The Countywide Strategic Plan directs the provisions of Operational Effectiveness (Goal 1) and Community and Municipal Services (Goal 3) as it provides services to the public that have a wide-

reaching positive effect on the entire community. The action will provide for the arrest and abatement of neighborhood deterioration and the elimination of unsightly, unsafe, and unhealthful conditions, which constitute a public nuisance.

FISCAL IMPACT/FINANCING

There will be no increase in net County cost or negative fiscal impact. Costs of the abatement work are billed to the property owner(s). Failure to pay the bill will cause a special assessment to be placed on the tax bill and a Notice of Abatement Lien will be recorded against the property with the office of the County Registrar-Recorder/County Clerk.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

The Building Code provides for abatement of public nuisances through rehabilitation procedures contained in Chapter 99.

Government Code Section 25845 requires that the property owner(s) be provided an opportunity to appear before your Board and be heard prior to abatement of the nuisance(s) by the County. However, your Board adopted modified procedures that delegated the required hearing to the Building Rehabilitation Appeals Board with the requirement that the Building Rehabilitation Appeals Board make a written recommendation to your Board.

The Building Rehabilitation Appeals Board has conducted the required hearing for the property listed below. The Building Rehabilitation Appeals Board considered all competent evidence and testimony offered by all persons pertaining to the matters of substandard properties. The Building Rehabilitation Appeals Board made a finding of facts in the matter and declared the following property to be a public nuisance.

Your Board may either adopt this finding and orders of the Building Rehabilitation Appeals Board without further notice of hearing or may set the matter for a de novo hearing before your Board.

ADDRESS: 1831 Bolanos Avenue, La Puente, California 91748

Finding and Orders: The Building Rehabilitation Appeals Board made a finding that the property is substandard, declared the property a public nuisance, and issued the following orders: (a) that by March 16, 2012, the structure(s) be repaired to Code, (b) that the structure(s) be maintained secured to prevent unauthorized entry, and (c) that the property be maintained clean.

2. The building is open and accessible to juveniles and transients and is a health, fire, and safety hazard to the adjacent community. The building or structure must be secured or closed forthwith so as to prevent unauthorized persons from gaining access thereto.*
3. Doors and windows are broken or missing.

4. The fascia board of the building is missing or deteriorated.
5. The front porch cover has inadequate foundation and roof supports.

8. Miscellaneous articles of personal property scattered about the premises.
9. Trash, junk, and debris scattered about the premises.

The interior of the building was not accessible for inspection; therefore, additional defects may be found when an interior inspection is made.

*The following option was given to the owner

"If, in your opinion, the building or structure is sufficiently secured or closed, or for any other reason you cannot comply with Item Number 2 on this 'List of Defects,' you may request a hearing within ten days of receipt of this notice. If the required work is not performed within ten days after service of this notice and if a timely demand for a hearing is not made, the County may perform the work at the expense of the said owner."

IMPACT ON CURRENT SERVICES (OR PROJECTS)

Not applicable.

CONCLUSION

The Building Rehabilitation Appeals Board confirmed the County Building Official's finding that the listed property is substandard because it is injurious to health, offensive to the senses, and obstructs the free use of neighboring properties so as to interfere with the comfortable enjoyment of life and property.
